Castle Green™

Why choose Castle Green?

We combine a deep appreciation for what it takes to deliver quality homes across North Wales and the North West of England, with a vision to be the most innovative and forward-thinking housebuilder in the region. We're committed to successfully combining the most technologically advanced housebuilding approaches with traditional build methods, whilst utilising complimentary local materials to enhance the surrounding area. All the time remaining focused on creating a new home that you will be proud to own.

Our homes are aspirational, yet functional, and are located in areas of high-demand offered across a mix of tenures so that they appeal to a wide-range of purchasers and address the local need. We do this successfully because our team has grown from the very communities in which we develop – we don't simply pretend to understand the local need, we live as part of it and bring our own families up alongside many Castle Green purchasers. Indeed, with a diverse mix of skills and backgrounds, we believe that our team is the very best that exists within the housebuilding sector.

When you purchase a new home from Castle Green, you're assured that we truly understand what you need from your new home both today and in the future.
